The greater number of these automobiles were driven by their owners, who spared no effort to interest their guests throughout the drive. NEW YORK, Aug. 25.—"You are either not telling the truth or you are a wretchedly heartiess mother," said Supreme Court Justice Bischoff today to Mrs. Grace L. Starbuck.

He thereupon ordered her to produce her two children in court next Monday or go to jail.

Mrs. Starbuck, whose husband, Ferdiand Starbuck, is suing her for divorce, had told the court that she had no idea in the world where the little ones were. They had simply disappeared.

Mrs. Starbuck afterward smilingly told the reporters that she guessed she would have to go to jafl.

It was another case of a short, quicky adjourned session of the local exchange with 85 shares of stock and \$1,000 bonds sold, and the usual line of quotations made-up as an indication of market values, and as such much more valuable than the few transactions re-corded. Washington Gas was the only stock at all lively, if this term can be applied to sales of but 75 shares all told. Indeed, with the exception of 10 shares of National Metropolitan Bank. the Gas sales furnished the record. Gas sold at 7314 to 7314. There was nothing in the action of the bonds to give as-surance to the holders of the 4 per cent that they would be able to gather in a
